

Please Join Us For An Information Session And Pre-Bid Meeting For OLD DOMINION UNIVERSITY'S NEW BIOLOGY BUILDING

SKANSKA

CLANCY & THEYS

Skanska USA Building Inc. and Clancy & Theys Construction Company (a Joint Venture) are hosting an information session and pre-bid meeting for their upcoming CM-at-Risk project, Old Dominion University's New Biology Building, from **11 AM - 2 PM on Thursday, February 15 at The Priority Club** located on the second floor of Old Dominion University's football stadium. Parking is available in the garage at the corner of W 49th Street and Bluestone Ave (4904 Bluestone Ave, Norfolk, VA 23508).

The session will provide interested trade partners, vendors, and suppliers with pertinent information regarding this project. There will be an opportunity to discuss the prequalification procedures, bid package opportunities, and the CM-at-Risk process. Participants will also have a chance to talk to members of the project team. **Attendees will also have the chance to win incredible prizes during our raffle giveaway!**

The Skanska/Clancy & Theys team understands the importance of diverse participation, and welcomes SWaM trade partners, vendors, and suppliers to attend our event and participate in the bidding process.

TO REGISTER FOR THE EVENT, PLEASE SCAN THE QR CODE TO THE RIGHT AND COMPLETE THE FORM. REGISTRATION IS NOT REQUIRED, BUT IS ENCOURAGED.

For more information, contact Sandy Gray at Sandy.Gray@skanska.com and Carter Biringer at carterbiringer@clancytheys.com.

ABOUT THE PROJECT

Old Dominion University's New Biology Building consists of a 162,596 SF cast-in-place concrete building. Located in Norfolk, VA, the five-story research and education building will include classrooms, offices, research labs, teaching labs, greenhouse spaces, zoology collections, herbarium collections, a vivarium, conference spaces, and meeting rooms. The project will also include associated site work and grounds.

SCAN TO REGISTER
