Your Water • Your Environment • Our Mission

# Are you interested in doing business with **Prince William Water?**

We are hosting a Capital Improvement Program Lunch & Learn for construction contractors, their subcontractors, and consultants to connect with Prince William Water regarding our 5-year Capital Improvement Program.

This event will take place immediately following the Supplier Diversity Expo, which runs from 9 a.m. to 12 p.m.

We encourage all attendees to take advantage of the Expo, explore vendor booths for valuable networking opportunities with local business vendors, then attend the Lunch & Learn.

**[Click here more information about the Supplier Diversity Expo.](#)**
